

## Team Involvement in Demonstration

Team ID: SWTID-2026-4623

Team Size:5

Project Name: Import Data using Transform Maps (Spreadsheet)

## Team Involvement in Demonstration

| S.No | Team Member Name | Role in Demo            | Section Presented                     | Contribution Summary                                                                                                 | Participation |
|------|------------------|-------------------------|---------------------------------------|----------------------------------------------------------------------------------------------------------------------|---------------|
| 1    | A. Nithya        | Team Leader & Presenter | Introduction, Problem Statement & Q&A | Introduced the project, explained the problem statement, coordinated the demonstration, and handled the Q&A session. | Active        |
| 2    | B. Ragavi        | Solution Presenter      | Solution Overview                     | Explained the proposed solution, overall system flow, Import Sets, Transform Maps, and project objectives.           | Active        |
| 3    | P. Thanalakshmi  | Feature Demonstrator    | Spreadsheet & Import Set              | Demonstrated the employee spreadsheet preparation, Load Data process, and Employee Import staging table.             | Active        |
| 4    | P. Deepika       | Feature Demonstrator    | Transform Map & Coalesce              | Demonstrated field mapping, Transform Map configuration, Employee ID Coalesce, and insert/update functionality.      | Active        |

| <b>S.No</b> | <b>Team Member Name</b> | <b>Role in Demo</b> | <b>Section Presented</b>        | <b>Contribution Summary</b>                                                                                | <b>Participation</b> |
|-------------|-------------------------|---------------------|---------------------------------|------------------------------------------------------------------------------------------------------------|----------------------|
| 5           | R. Priyatharsini        | Reporting Presenter | Validation, Reports & Dashboard | Demonstrated Transform History, Employee Test records, employee reports, and Employee Analytics Dashboard. | Active               |

### **Team Coordination Notes**

| <b>Aspect</b>                                 | <b>Details</b>                                                                                                                               |
|-----------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Team Leader / Coordinator</b>              | A. Nithya                                                                                                                                    |
| <b>Overall Team Coordination Rating (1-5)</b> | 5                                                                                                                                            |
| <b>Any issues during demo</b>                 | Minor coordination and sequence issues may occur while switching between ServiceNow features during the demonstration.                       |
| <b>How issues were resolved</b>               | The team followed the planned demo sequence, divided responsibilities clearly, and rehearsed the complete workflow before the demonstration. |
